

FORWARD CURVED DWDI FANS

Forward Curved DWDI Fans from PARIHAR Blower have been specifically designed to provide the best value to OEMs for their air handler applications. From the powder coated, rugged housing and robust square side support frames, to the selection of heavy-duty pillow block bearings, PARIHAR Blower's FC DWDI fans will provide years of trouble free operation. All fans have been air and sound tested in our accredited laboratory to assure accurate performance and low sound levels. To minimize inventory costs for our OEM customers, all units are in stock in our warehouse for next day delivery.

DESIGN FEATURES

Capacities to 32,000 CFM.

Static pressures to 3.25" WG.

Ten sizes ranging from 9" to 30" wheel diameter.

Temperatures to 120^oF.

Choice of four discharge positions. . . TH, BH, UB, and DB.

Square structural supports aid in installation while minimizing vibration and sound.

Housings coated with an epoxy polyester powder in finish color beige.

Wheels constructed of galvanized steel.

Dual-drive shafting furnished for installation flexibility.

Pillow block bearings.
